

I hope you are all looking forward to watching our Christmas performances. We had such fun making them and I know you will treasure these special moments for ever.

Our very clever film director parent is working hard behind the scenes to edit each class to create the best possible recordings. Each class takes hours to edit. We will have the finished results all sorted, edited, checked and password protected by the early part of next week. So you will be able to sit together with your mugs of hot chocolate and popcorn to enjoy an extra special movie night in the comfort of your own home! We will be able to share some of it with the children on the last day of term which we are so excited about.

The beginning of the Spring Term 2021:

All pupils will return to school on Monday 4th January. We would ask all families to continue with the arrival and departure routines that we have established this term.

And finally, Hot meals are coming back!

Now that the weather is getting really cold, we are able to offer hot food that can be eaten in our classrooms safely and that complies with our Health and Safety Executives advice. As a very small school we do not have the space or the number of Midday Supervisors to be able to offer hot school lunches in the hall or our classrooms as much as we would love to. So, Mrs Close, our wonderful school cook and myself have decided on a new menu which will involve a choice of 'hot' sandwiches/burgers/buns, pizza, pasta, hot potato wedges, hot roast potatoes, boiled potatoes with seasoning, hot cheese slices and many more 'hot' items all wrapped in foil so that they keep warm for our children to enjoy and that can be eaten in the classroom in picnic bags without the need for it to be served by the Midday Supervisors. This will be in place of the cold packed lunch options, although these will still be on offer should your child prefer this.

We will have this up and running for the week beginning 25th January which will ensure it has been checked by our Health and Safety colleagues.

As always, I shall be talking to the children and reviewing this to see how this is working on a regular basis ready to make changes to benefit our children.

MERRY CHRISTMAS AND A HAPPY NEW YEAR!

Kind regards,

Mandy Gates

Mrs M Gates
Acting Head Teacher
