22<sup>nd</sup> January 2021

Dear Parents and Carers,

Thank you for all your support in helping each other to get through another challenging week in and out of school!

What has mostly stood out for me recently, is that we have the most amazing diligent and committed staff, incredible support and understanding from our parents and the hard work and resilience from our children.

Thank you for the feedback on the remote learning activities. We continue to reflect and adapt almost on a daily basis. We know you have such a range of circumstances at home as you are grappling with remote learning and work and childcare. I wanted to reassure you all that there are no expectations to print out all of the sheets we are sending home. Many of them are editable, so you can use the computer to write on them, or you could write the answers on paper/a jotter/a pad.

Our zoom meetings are proving to be a huge success with everyone. Seeing the children all come together is a huge boost for them to feel part of our school family once more. My plans for worships with Reverend Sylvia are just being finalised. This will be another wonderful way of all coming together as a school family.

Remember, if you need help with remote learning, device problems, health concerns, welfare issues – whatever it is, please, please phone and talk to the staff, or email us and we will do all we can to help. We will do this every day if you would like us too. We want to see how you and your family are doing and offer any support we can. We are still here for you and our families and if we can help get you through these difficult times, we will do our best.

Our priorities are to support the children and families working at home, those who will continue to be at school and our staff and families who are working tirelessly to keep things moving forward.

Thank you for your constant support.

We wish you and your families a lovely, safe weekend.

Kind regards,

*Mandy Gates*  
**Mrs M. Gates**  
**Acting Head Teacher**
