Dear Parents and Carers,

I am delighted to be able to write my first letter as the new Headteacher of Egglescliffe CE Primary School. I feel extremely honoured and privileged to have been chosen to continue to build upon the success the school has already achieved.

Since 2018, I have been Head Teacher at St Mary's CE Primary school and was Assistant Head Teacher at William Cassidi CE Primary School, for 8 years previously. Being a mother of two girls, I am very much aware of the responsibility that my staff and I have in ensuring that the highest standard of teaching and learning is achieved in order for each individual child to 'shine'.

The needs of the children are always paramount in the life and decision making within a school. Through education, we have the gift of inspiring and instilling a 'love of learning' which is a life-long legacy. I strongly believe in providing the children with exciting, creative, inspiring and meaningful learning experiences, which build their enthusiasm for learning and help them to grow and develop positively in a variety of ways. I am dedicated to build upon opportunities to enable all children to achieve the highest academic standards, ensuring that they are known well as individuals and that their unique personality, talents and interests are nurtured and developed to the full.

I know how vital working in partnership with parents really is in order for children to find school a positive and rewarding experience. As key educators in your children's lives, I feel that it is important that our partnership is strong. It is the aim of the whole school team to help each child become a successful learner and well-rounded individual who is ready to make the next steps in their learning journey.

When it is safe to do so, I will be hosting a 'meet and greet' at Egglescliffe Primary on the field, where we can take time to introduce ourselves personally. Watch this space!

You can be assured that as Headteacher, I will strive to create the best education for your child. I am thrilled to announce that my transition to Egglescliffe is beginning after Easter. I will be joining you on a Tuesday and a Thursday each week. Even at a social distance, it will be lovely to meet you all to begin our journey of working in partnership with one another.

Should you wish to contact me at any time, please don't hesitate to get in touch, my details are as follows:
