Statement of intent

At Eggescliffe CE Primary School, we greatly value the importance of the early years foundation stage (EYFS) in providing a secure foundation for future learning and development.

This policy has been developed in conjunction with the relevant DfE guidance and legislation to ensure that each child has a happy and positive start to their school life in which they can build a foundation for a love of learning.

We ensure that children learn and develop well and are kept healthy and safe. We promote teaching and learning to ensure children's 'school readiness' and give children a broad range of knowledge and skills that provide the right foundation for good future progress through school and life.

We seek to provide:

- **Quality and consistency**, so that every child makes good progress and no child gets left behind.
- **A secure foundation** through learning and development opportunities which are planned around the needs and interests of each child and are assessed and reviewed regularly.
- **Partnership working** between practitioners and parents.

1. Roles and responsibilities

- 1.1. The Academy Council has the overall responsibility for ensuring there is a policy in place to safeguard children that includes an explanation of the action to be taken when there are safeguarding concerns about a child, the use of mobile phones and cameras, and staff safeguarding training requirements. These issues are addressed in part in this policy and in further detail in the school's Child Protection and Safeguarding Policy
- 1.2. The Academy Council has the overall responsibility for ensuring there is a policy in place in the event of an allegation being made against a member of staff. These issues are addressed in the school's Allegations of Abuse Against Staff Policy.
- 1.3. The Academy Council has the overall responsibility for the implementation of this policy.
- 1.4. The Academy Council has overall responsibility for ensuring that this policy does not discriminate on any grounds, including, but not limited to, ethnicity/national origin, culture, religion, gender, disability or sexual orientation.
- 1.5. The Academy Council has responsibility for handling complaints regarding this policy, as outlined in the school's Complaints Procedures Policy.
- 1.6. The EYFS lead, in conjunction with the headteacher, has responsibility for the day-to-day implementation and management of this policy.
- 1.7. Staff, including teachers, support staff and volunteers, are responsible for familiarising themselves with, and following, this policy.
- 1.8. Staff, including teachers, support staff and volunteers, are responsible for remaining alert to any issues of concern in children.

2. Aims

- 2.1. Through the implementation of this policy, we aim to:
 - Give each child a happy and positive start to their school life in which they can establish a solid foundation for a love of learning.
 - Enable each child to develop socially, physically, intellectually and emotionally.
 - Encourage children to develop independence within a secure and friendly atmosphere.
 - Support children in building relationships through the development of social skills such as cooperation and sharing.
 - Work alongside parents to meet each child's individual needs to ensure they reach their full potential.
- 2.2. Four guiding principles shape our practice:

- Every child is a unique child, who is constantly learning and can be resilient, capable, confident and self-assured.
 - Children learn to be strong and independent through positive relationships.
 - Children learn and develop well in enabling environments, in which their experiences respond to their individual needs and there is a strong partnership between the school and parents.
 - Children develop and learn in different ways and at different rates.
- 2.3. To put these principles into practice, the school:
- Provides a balanced curriculum which takes children's different stages of development into account.
 - Promotes equality of opportunity and anti-discriminatory practice.
 - Works in partnership with parents.
 - Plans challenging learning experiences, based on individual needs, which are informed by observation and assessment.
 - Implements a key person approach to develop close relationships with children.
 - Provides a safe and secure learning environment.

3. Learning and development

- 3.1. The EYFS curriculum is based on an observation of children's needs, interests and stages of development.
- 3.2. In partnership with parents, the school promotes the learning and development of pupils to ensure they are ready for the next stage of education.
- 3.3. There are seven areas of learning and development that must shape education programmes in EYFS settings. These are split into two sections – prime and specific; however, all the sections are interconnected and important.
- 3.4. The 'prime' areas of learning and development are:
- Communication and language
 - Physical development
 - Personal, social and emotional development
- 3.5. The 'specific' areas of learning and development are:
- Literacy
 - Mathematics
 - Understanding the world
 - Expressive arts and design

- 3.6. Activities are planned to reflect children's interests and individual circumstances in order to provide each child with a challenging and enjoyable experience.
- 3.7. The EYFS teachers will discuss any cause for concern in a child's progress, especially in the prime areas of learning, with the child's parents. A strategy of support will be agreed upon and consideration will be taken as to whether the child may have a special educational need or disability which requires additional support.
- 3.8. The school takes reasonable steps to provide opportunities for children with EAL to use their home language in play and learning whilst also ensuring that these children have sufficient opportunities to reach a good standard of English. During assessment, if a child is found to not have a strong grasp on English, the EYFS teachers will contact the child's parents to establish their home language skills to assess if there is cause for concern about a language delay.
- 3.9. Each area of learning and development will be implemented through a mix of adult-led and pupil-initiated activity.
- 3.10. The school will respond to each child's emerging needs and interests, guiding their development through friendly and positive interaction.
- 3.11. Activities are planned with regard to three characteristics of effective teaching and learning in the EYFS:
 - Playing and exploring – children investigate and experience things.
 - Active learning – children concentrate, keep on trying if they encounter difficulties and enjoy their achievements.
 - Creating and thinking critically – children have and develop their own ideas, make links between ideas, and develop strategies for doing things.

4. Inclusion

- 4.1. All children are valued as individuals irrespective of their ethnicity, culture, religion, home language, background, ability or gender.
- 4.2. The EYFS curriculum is planned in order to meet the needs of the individual child and support them at their own pace.
- 4.3. The Equal Opportunities Policy ensures that the needs of all children are met, regardless of any protected characteristics they have.
- 4.4. The Special Educational Needs and Disabilities (SEND) Policy ensures all children receive the support they need and are given the best learning experience possible.
- 4.5. SEND in the EYFS setting will be monitored and managed by the school's SENCO.

5. The learning environment and outdoor spaces

- 5.1. Our classrooms are organised in such a way that children can explore and learn in a safe environment.
- 5.2. Children have access to an enclosed outdoor play area, and daily outdoor activities are planned, unless circumstances, such as extreme weather, would make outdoor activity inappropriate and unsafe.
- 5.3. There are toilet facilities available to the EYFS, and there are hygienic changing facilities located nearby

6. Assessment

- 6.1. Assessment plays an important part in helping the school to recognise children's progress, understand their needs, plan activities, and assess the need for support.
- 6.2. Parents will be kept up-to-date with their child's progress and development, and the EYFS teachers will address any learning and development need in partnership with parents.
- 6.3. Formative assessments are used to assess the learning and development of children in the EYFS. Staff members will observe children to understand their level of achievement, interests and learning styles. This information will then be used to shape learning experiences for each child.
- 6.4. Reasonable adjustments will be made to the assessment process for children with SEND as appropriate.

7. Safeguarding and welfare

- 7.1. All necessary steps are taken to keep the children in our care safe and well.
- 7.2. Any safeguarding or welfare issues will be dealt with in line with the Child Protection and Safeguarding Policy, and all members of staff in the EYFS are required to read this policy as part of their induction training.
- 7.3. The DSL is Emma Robertson
- 7.4. The deputy DSL is Mandy Gates.
- 7.5. The DSL is responsible for safeguarding children and liaising with local children's services as appropriate.
- 7.6. The deputy DSL will undertake the duties of the DSL in their absence, but overall responsibility for safeguarding will remain with the DSL.
- 7.7. The DSL and deputy DSL will undertake child protection training as required.

- 7.8. Staff will receive safeguarding training that enables them to understand the safeguarding policy and procedures, have up-to-date knowledge of safeguarding issues, and recognise signs of potential abuse and neglect

- 10.2. The use of alcohol or any other substance that may affect the ability to care for children by a member of staff will not be tolerated. If there is a reason to believe a member of staff is under the influence of alcohol or any other substance, they will not be allowed to work directly with children and further action will be taken.
- 10.3. Any member of staff taking medication which may affect their ability to care for children will seek medical advice. Staff will only be allowed to work directly with the children if it is confirmed that the medication is unlikely to impair their ability to look after children properly.
