

## Egglescliffe CE Primary School

June 2023

Dear Parents / Carers,

We feel the excitement build within school as we count down to Active week starting on the 10<sup>th</sup> July! Mrs O'Brien has been busy organising and timetabling events for the children for the full week.

To commence our Active Lifestyle Week, the children will be immersed with a whole school circus skills day! You are all invited to a Circus Spectacular from 2.45pm, there will be candy floss, toffee apples and popcorn available to purchase as we watch the show.

Following this, on Monday 10<sup>th</sup> July from 3.20pm we will be hosting our Parent v's Children football tournament which has been organised with MFC and Mr Moody, tickets for the event can be purchased through ParentPay.

On Wednesday, we will hold our annual Sports Day. Nursery Sports Day will start at 10am and you are all welcome to come and cheer our youngest members on as they showcase their sporting skills. The rest of school will commence their Sports Day at 1.30pm on the school field and we hope you will join us for the wonderful event.

On Thursday, the whole school will have a really exciting day of fun filled activities, which we are sure everyone will enjoy.

On Friday, we will be focused on Wellbeing and Healthy Eating with an array of activities, enjoyment and relaxation ready for the weekend.

## **Breakfast Club and Extended Provision**

The dedicated staff are carefully planning activities, which the children will enjoy including art, craft and design, cooking and other creative activities and games, as well as a wide range of sporting and physical activities using our climbing frames, fitness equipment, bikes and small apparatus.

Children will be collected from their classrooms and those who already attend other school clubs may attend Extended Provision when they finish.

These sessions are offered as a service to parents and we endeavour to keep charges to a minimum.

Staffing costs are the single largest cost and the number of children attending determines these. To maintain this facility, it is essential that the attendees are known in advance so that the correct staffing ratios are maintained. It also means that any non-attendance will be charged for.

We will operate a half-termly pre-booking system in order to organise staffing, activities and food supplies. There may be adhoc sessions available.

**Should you like to book a session, please email myself directly:**
